To Whom It May Concern,

On behalf of the Downtown Burbank Partnership, it is my pleasure recommend CBF Productions, whose team has been a valued partner in the successful production of our annual Burbank Winter Wine Walk.

Since our collaboration began in 2015, CBF Productions has consistently demonstrated exceptional professionalism, creativity, and logistical expertise. As the producer of the Burbank Winter Wine Walk since 2016, CBF Productions brings not only deep industry knowledge, but also a genuine passion for creating memorable community experiences. Their ability to execute complex, large-scale events while upholding the vibrant character of a thriving downtown district has solidified their role as an essential partner.

From vendor coordination and permitting to entertainment programming and on-site logistics, CBF Production's attention to detail is excellent. The Burbank Winter Wine Walk attracts thousands of attendees each year, and thanks to the leadership and operational excellence, the event continues to grow.

The team at CBF is collaborative, responsive, and solutions-oriented and they approach every challenge with professionalism. We sincerely recommend CBF Productions to any organization seeking a trusted and proven partner in live event production.
